

Ophir RF, Inc. Quality Policy

Ophir RF is committed to delivering products and services that meet and exceed customer requirements and expectations. Ophir RF does this by continually developing, improving, and managing our quality processes. We are committed to engaging our customer as well as other interested parties to ensure we actively and efficiently respond to their needs.

To sustainably create value and effectively remain customer focused, Ophir RF's Top Management is dedicated to addressing risks and opportunities as they arise.

This Quality Policy includes Top Management's commitment to comply with the requirements of the ISO 9001:2015 standard and to continually improve the effectiveness of our Quality Management System.
